

Why you need to connect...

- Receive official student e-mail regarding class enrollment, financial aid, tuition due dates, etc! Most official college communications will come to you through this account.

- Access to collaboration tools such as Google Docs, an online suite of office productivity applications featuring word processing, spreadsheets and presentations. Google Docs allows collaboration with others on the same documents in real time. Documents are saved online, so you always have access no matter what computer you use.

- A lifetime email address, a reliable, secure email service, and a powerful anti-spam service.

- Access to calendaring, tasks and scheduling features; instant messaging with voice and video; and easy forwarding of email, if you choose.

It's easy to connect...

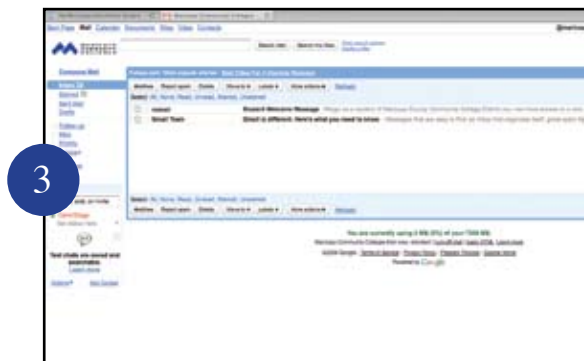

2 Your User ID for log in is your assigned MEID. Your password is the same MEID password that you use for your Student Center and Blackboard!

1 Go to my.maricopa.edu
Click on GoogleApps@Maricopa

3 Start receiving and sending correspondence

Example of log in: ANN1234567
